

# SALVATION: GOD'S WAY

Ephesians 2:8-9

This few verses are among the most important in the whole Bible. They teach exactly how people can be saved. They teach us about the Way, and the Wonder of salvation. These verses show all people, in all generations, in all places, and in all religions, what they must know in order that they might be saved from their sins and from the fires of Hell.

### CONCLUSION:

Are you saved? Are you trusting Jesus, and Jesus alone for your soul's salvation? Are you sure that you are not trusting in your works? A prayer does not save us; doing good does not save us, becoming a better person does not save us; going to church does not save us. We are saved by grace alone, through faith alone in Christ alone. Is that your testimony? If not, it can be! Come to Him while He calls for you!
